

REACH declaration certificate

REACH is the Regulation for **R**egistration, **E**valuation, **A**uthorization and Restriction of **C**hemicals. It entered into force on 1st June 2007 to streamline and improve the former legislative framework on chemicals of the European Union (EU).

HMS Industrial Networks is a downstream user of substances and preparations and do not manufacture or import any substances that require registration under REACH regulations.

We hereby states that our products do not contain any of the restricted material as defined in the SVHC* list in any amounts higher than limits stated.

HMS Industrial Networks is aware of the REACH regulations, potential implications to our business and our obligations to make relevant actions to enable business continuity. We will do our best reasonable efforts to ensure that continuity of supply of products will not be adversely affected by issues arising from the REACH regulations.
